Plastic Pipe Shop Limited reserve the right to charge interest on a daily basis on outstanding sums at the rate of 2% above HSBC Bank plc's base rate. Payments can be made by BACS, or by cheque. Should you prefer to pay directly online by credit card you will not qualify for 30 day terms, you will however receive whatever credit terms are available from your card provider. Online payments by credit card are not subject to a credit limit and you can still benefit from any discounts provided you are logged into your account. If a customer's account exceed the credit limit or has outstanding payments against it then no further orders will be dispatched until the account is returned to credit.

Where a discount is made available then the discount period and amount will be agreed and we accept no obligation to continue the discount beyond the agreed period. We are not obliged to offer discounts and normally these will only apply to existing customers who commit to an annual volume of purchases.

**4A. INDICATIVE PRICE DISPLAY:** Where product prices are shown exclusive of applicable taxes, and the price may also have a discount incorporated, product prices shown are indicative based on the calculation of the removal from the normal gross price of the discount and then any taxes to present you with an indicative price excluding any taxes that you will pay. Due to the nature of the rounding this may mean that the presentation of the price each, will only be accurate to two decimal places and therefore is only indicative at all times. The price is correct at the time of the catalogue going to press or the website being updated.
